

MONACO

The 10' and 12' ceilings throughout this three bedroom, two and a half bath Monaco plan, make this home seem bigger than it's 2,423 sq. ft. of living area. The study off the foyer is perfect for the home office or a place to relax and read a good book. The large master suite and oversized great room both open to the spacious covered porch. The island kitchen with breakfast bar includes a large pantry and plenty of cabinets for storage.
