Villa della Dolce Vita (House of Sweet Life) is the

Crown Jewel of Olsen Custom Homes. This Italian inspired masterpiece features a gated courtyard entry with a serene fountain and three-car garage.

Step inside the elegant, vaulted foyer, past the formal dining room, into the spacious kitchen with state-of-the-art appliances, custom cabinets, wine room and great room with beautiful French doors that open to the lanai and pool / spa. Indulge yourself in the beautiful master suite with sitting area. A large shower with double vertical spa units, double vanities, spacious tub and large master closet separate this master bath from all others. The den / office on the first floor could be a fourth bedroom.

The winding staircase with decorative metal railing leads to a spectacular theater entertainment room. Finally, two well-appointed suites with sitting area and a relaxing second floor balcony, offer your family and guests gorgeous sunsets overlooking the pool.
